

The Enterprise Europe Network Service

The network consists of 600 partner organisations in 65 countries, providing services for local SMEs on competitiveness & innovation in Europe and beyond.

The objectives of the Healthcare Sector Group

- Facilitate interaction between technology and know-how providers and recipients of expertise in the field of healthcare.
- Provide objective advice and support to companies throughout the value chain from contact initiation to negotiations for commercialisation and exploitation of technologies and/or products.
- Help companies and research institutions find European partners and others for the joint development of new medical products and services.

This international Healthcare Brokerage Event at MEDICA has a tradition of more than 15 years. The brokerage event in 2016 had more than 320 participants from about 30 countries with more than 1100 meetings. It is the world's biggest Enterprise Europe Network brokerage event in the healthcare sector.

Organisers

The Healthcare Brokerage Event is organised by ZENIT GmbH/NRW.Europa in cooperation with the Healthcare Sector Group of the Enterprise Europe Network. NRW.Europa is the Enterprise Europe Network node in North Rhine-Westphalia.
